TRANSMITTAL OF FORMAL DRAWINGS

Sir:

In response to the Notice of Allowability, enclosed for filing is one (1) "Replacement Sheet" including formal drawings (Fig. 1) for the above-identified patent application. Applicant has amended Figure 1 by adding reference numeral 325 and its associated leader line. The leader line for reference numeral 325 points to the stays that are located between shroud 320 and the motor for fan 310. Applicant believes this to accurately depict the stays. In addition, the leader line for reference numeral 110 has been revised to more accurately depict the member. Finally, the leader lines for reference numerals 310 have been extended to terminate at the fan. Applicant respectfully requests that the enclosed FORMAL DRAWINGS replace the most recent drawings filed with the application.

Respectfully submitted,

Date: January 4, 2005
